A.G.M.I. EXECUTIVE RECRUITMENT

A Personal Invitation

From Apostle Ahab Clark Sr.

Dear Pastor and Ministry Leader,

Apostolic Global Ministries International was established with a Kingdom mandate: to bring churches, missions and spiritual leaders into authentic fellowship, apostolic alignment and purposeful partnership for the advancement of the Gospel of Jesus Christ.

Our desire is not merely to build an organization. We seek to build strong covenant relationships that encourage pastors, strengthen local churches, develop leaders, plant ministries and extend the work of the Kingdom into communities and nations.

We believe leaders should not have to labor alone. Through prayer, guidance, training, fellowship, accountability, spiritual empowerment and practical support, A.G.M.I. endeavors to stand with those whom God has called.

I am humbled by every opportunity to serve, impart, encourage and walk alongside God's leaders. I invite you to prayerfully consider becoming part of this Kingdom fellowship as we grow together in the grace of God.

In the Grips of Grace,
Apostle Ahab Clark Sr.

OUR AIM

AGMI welcomes into apostolic alignment churches, ministries, pastors and leaders who recognize the call and mandate of the Lord upon their lives and who desire to function in covenant relationship with AGMI as fivefold ministries, local churches or ministry gifts. Affiliated works may receive authorization to use the A.G.M.I. corporate seal as a visible symbol of covenant connection, subject to organizational guidelines.

Our alignment is intended to establish order, relationship, accountability and support without creating unnecessary legalism or diminishing the God-given work of the local church.
